WAY FORWARD

Acknowledging the increased need to impact and improve lives in rural domains of Rajasthan, GSS is anticipating active engagements with Government, multilateral organisations and corporates, initiating comprehensive efforts towards sustainable development. Also, expanding our model approach to the rural domains of rest India, making people resilient, productive and wholesome.

"The best thing to find yourself is to loose yourself in the service of others."
- M.K. Gandhi.

ABOUT US

We are a non governmental organisation, established in the year 1986. Earlier, organization was registered as Gayatri Shiksha Sadan Sansthan, but in the year 2010 organization changed its name to Gayatri Seva Sansthan to better characterize its portfolio. Required approval had been taken from competent authorities and departments.

VISION to bring peace and prosperity in the community and empowerment of the people through sustainable integrated development.

MISSION to fulfil the vision by making continuous, comparative & integrated efforts in different sections to uplift the quality of life, especially of weaker section.

LEGAL STATUS

- Rajasthan Society Registration act 1958 – No. 48/UDR/1987-88 dated 31st August in the year 1987,
- Section 80(G) of IT Act 1961
- Section 12(A) of IT Act 1961
- PAN Id - AAATG9231B
- FCRA registration number 125690112.

We started as an institution for education, and today we have expanded into an organisation, which addresses all the causes that needs to be reformed for communal good and growth. We have categorised our interventions as follow :

- Human & Institutional Development.
- Livelihood Enhancement.
- Natural Resource Management.

IMPACTS

HUMAN & INSTITUTIONAL DEVELOPMENT

- Capacity building of farmers by introducing *FPO – farmer produce organisation* supporting more than **1500** marginal farmers directly.
- *Girl education program* for the age group 4 to 14 years, encouraging **10,000 plus tribal girl child** to get enrolled on our free education 300 centers with local women para teachers.
- *Tara Akshar* – literacy program through which thousands of **tribal women** became literate
- *Innovative child protection program* to ensure child rights protection in remote and tribal region of southern Rajasthan.
- Supporting government and PRIs in southern Rajasthan for better implementation of programs.
- *Women SHGs* in Sarada, Salumber and Girwa regions of Udaipur, **acknowledging 4500 women & their socioeconomic involvement.**

LIVELIHOOD ENHANCEMENT

- *Integrated Agriculture Development Project,*

where we are working with more than **10000 farmers** to increase their productivity and hence their livelihood.

- Orientation & Capacity Building Of Small and Marginal Farmers in Rajasthan to ensure better livelihood.
- *Wasteland Area Development Initiative – WADI*, where we are trying to utilise every inch of land in productive manner
- Tribal Area Integrated Vegetable Production Program, introducing quality seeds and improved vegetation techniques and capacity building for small and marginal farmers.

NATURAL RESOURCE MANAGEMENT

- Rejuvenated more than **4000 ha of waste land into cultivable land**.
- Developed the *first model village of Udaipur* from watershed point of view- **Mandali Watershed**.
- Implementing climate change related programmes where we are working on both climate change adaption as well as mitigation.
- Established its on *Remote sensing and GIS* cell where we are also helping other stake holders for better monitoring and implementation.
- Helping government agencies and other NGOs for Contingency Planning and other
